

# 8<sup>th</sup> Asia LNG Summit

27<sup>th</sup> to 28<sup>th</sup> May 2014, Beijing China

[www.lng-summit.com](http://www.lng-summit.com)

**ALS2014-China:** Driven by Asia's strong demand for LNG, the whole world's consumption of LNG climbs to a high figure. Statistics show that with the 10% annual growth rate of LNG-demand, Asia-Pacific has become the leading LNG consumption area and in the year of 2014, the estimated consumption will reach over 250 million tons. It is under such a huge Asia-Pacific LNG market that **8<sup>th</sup> Asia LNG Summit (ALS2014)** will be held from **27<sup>th</sup> to 28<sup>th</sup> of May 2014 in Beijing China.**

With a theme of ***Innovating Business Models in a Changing Asia***, ALS2014 will focus on the LNG supply-demand scenario, key regional players' concerns, emerging markets' potentially, flexible trading patterns, traditional markets' responses and technical innovations' impact on LNG trading. ALS2014 provides an international platform for all attendees to talk about the challenges and opportunities in LNG industry in order to better understand the more flexible LNG trading patterns.

Organized by China Petroleum and Petrochemical Engineering Institute (**CPPEI**) and **Shine Media International**, supported by the International Group of Liquefied Natural Gas Importers (**GIIGNL**), **CEDIGAZ**, **CNOOC**, **CNPC**, **SINOPEC** and other world's leading IOC/NOCs, ALS2014 bases on the LNG trading industrial chain and its midstream part in particular, by presenting latest analysis from perspectives of LNG buyers/sellers, LNG plant, FLNG and LNG Shipping participants, ALS2014 continues to serve you with a most international LNG trading event in Beijing China.

ALS2014's **featured speakers** include (but not limited to) senior executives from China's three biggest such as **CNOOC**, **CNPC** and **SINOPEC**, as well as world's renown companies like **BG Group**, **Gazprom Marketing & Trading Singapore**, **Santos**, **Anadarko Petroleum Corporation**, **Mitsui O.S.K. Lines, Ltd. (MOL)**, **ABS**, **SMBC** and more.

Being the top Asia LNG Summit, **ALS** is an **8-year history brand** featuring the **LNG trading in Asia-Pacific** region and is known as the **first B2B commercial LNG trading event since 2006**.

With accumulated 2000+ participants, Asia LNG Summit continues to gain popularity and earn trust from IOC/NOC, LNG production/trading/transpiration/shipping companies, EPC, Engineering design/advisory

companies, IT/Software providers, Shipyard/owner/leasing companies, energy consultancy/investment companies, bank/financial institute, electricity/utility companies, city gas companies, law firm, insurance/risk management companies, as well as governmental institutes, academics and etc.

**8<sup>th</sup> Asia LNG Summit 2014** therefore invites you to join all leading LNG participants in Beijing China this time and to draw up a big picture about Asia-Pacific LNG trading future together.
