

Energies: construire un futur responsable

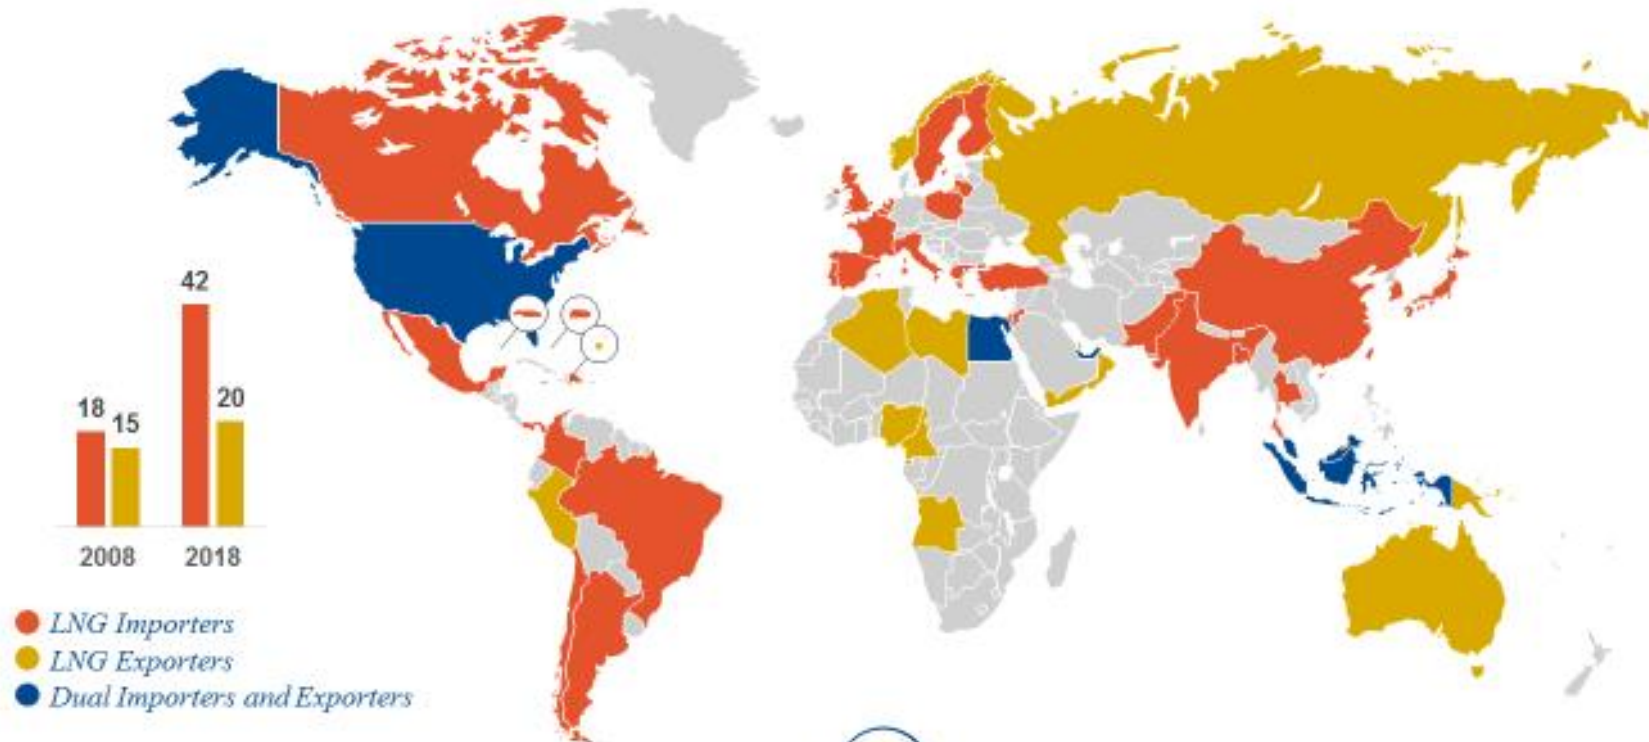

GNL: Un produit disponible et en croissance

Vincent Demoury, Délégué Général, GIIGNL

2 Octobre 2018

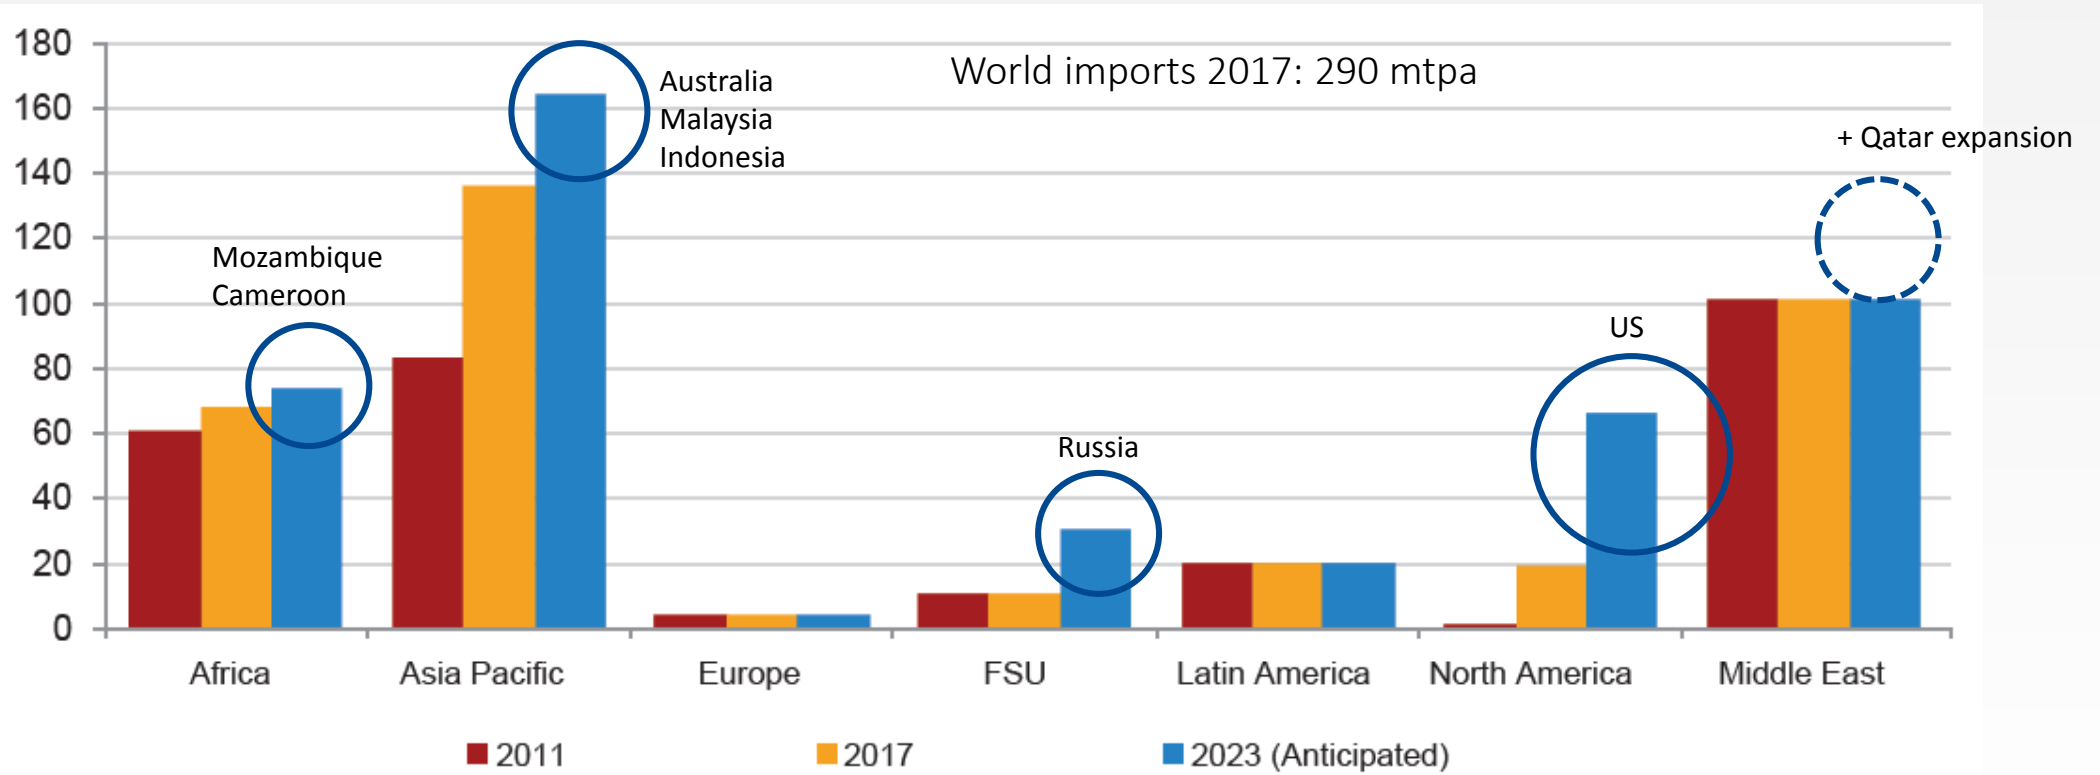

Un marché de plus en plus mondialisé

20 producing countries supply LNG to 42 importing countries

Une offre de GNL en croissance

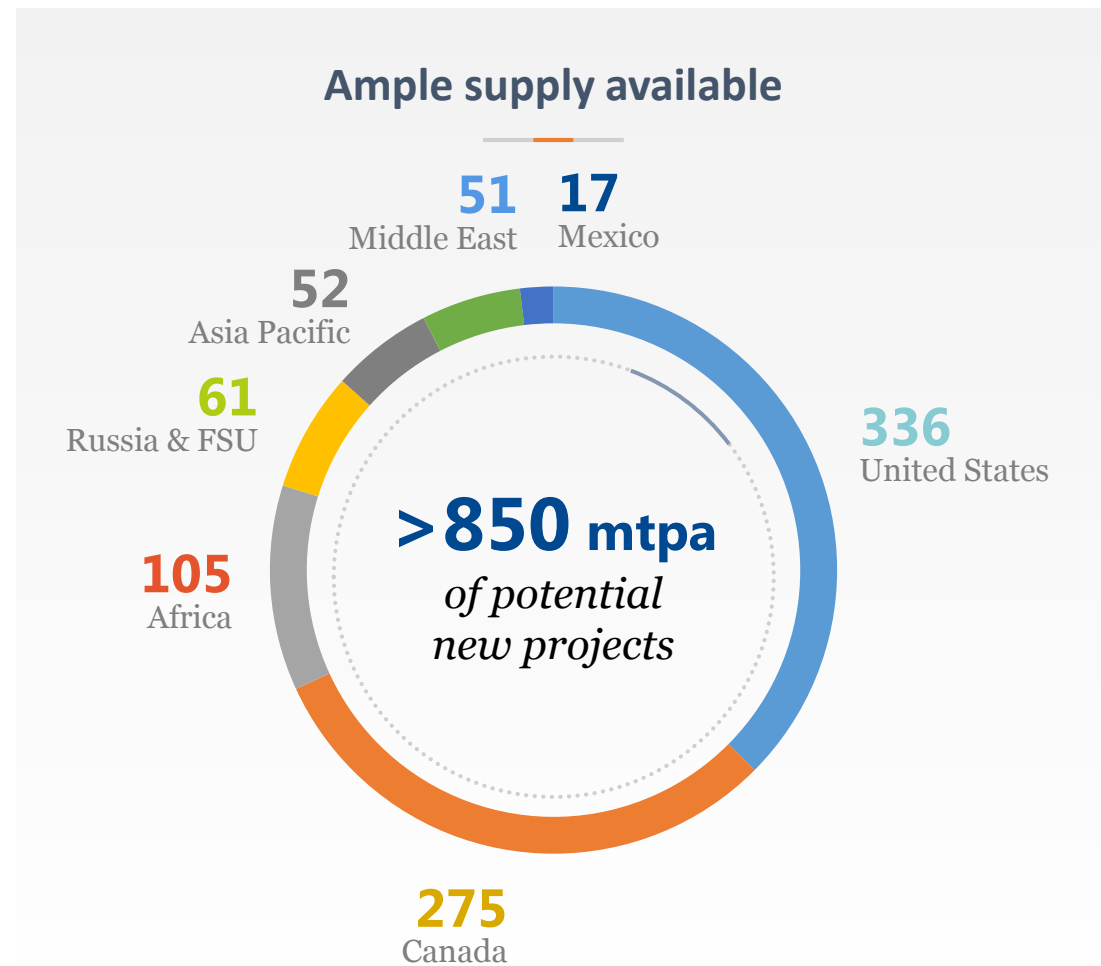

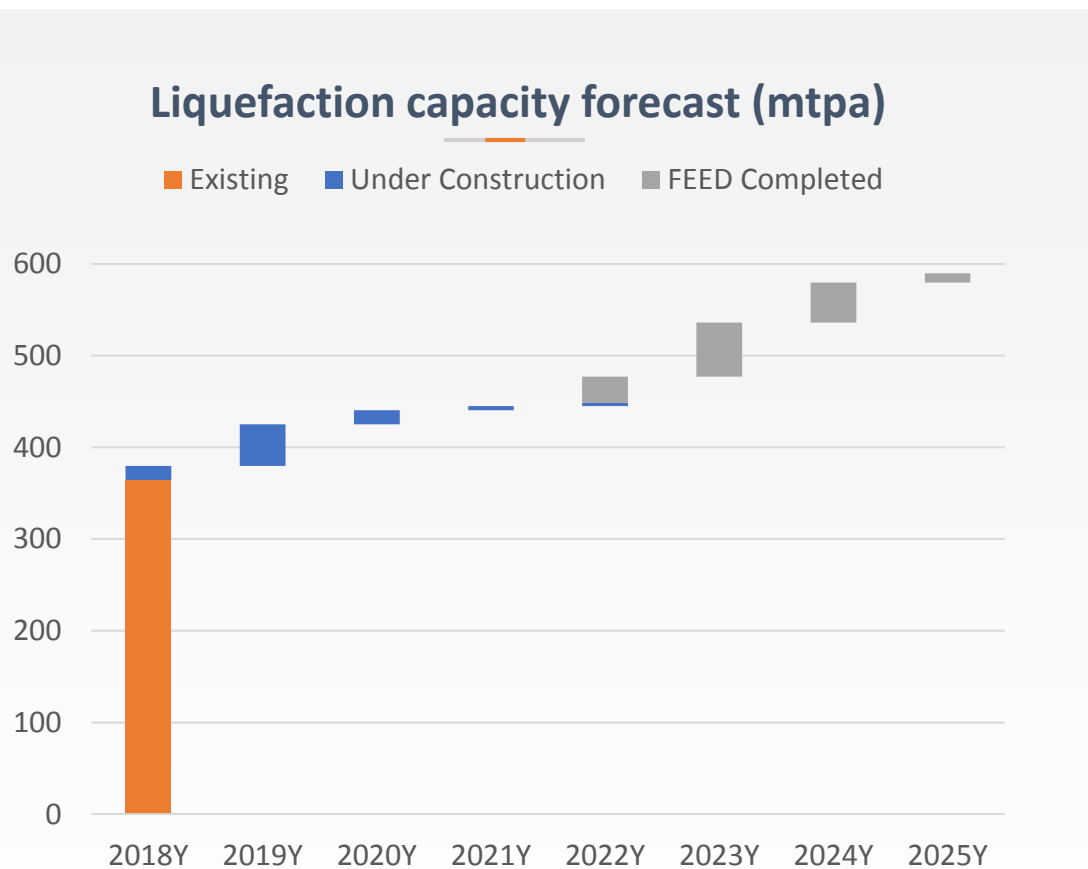

Liquefaction capacity by region in 2011, 2017, 2023 (mtpa)

* Liquefaction capacity only includes existing and under-construction projects.

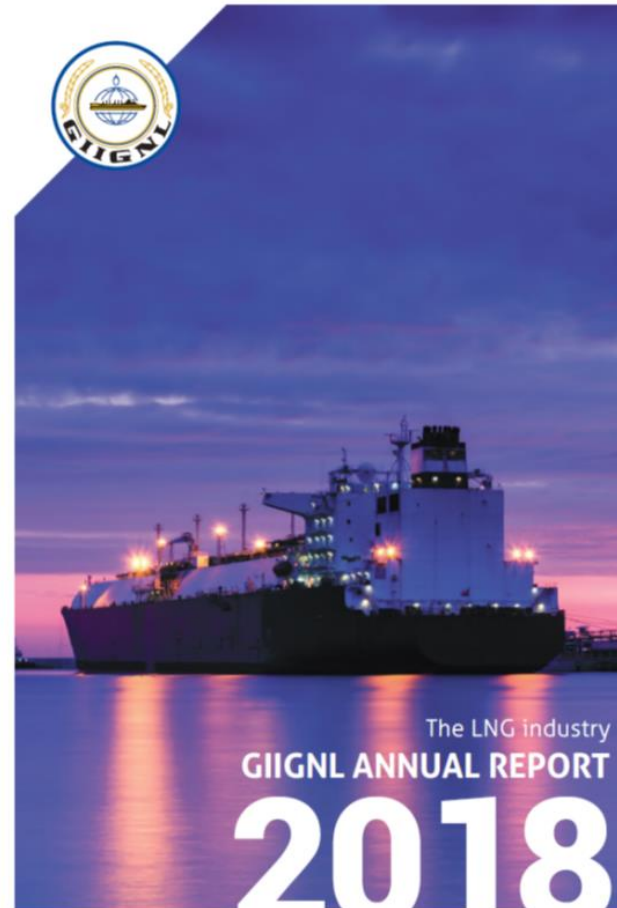

Source: IGU 2018 World LNG Report

De nombreux projets en développement
